

Does Avis Charge an Extra \$200?

What You Need to Know

If you're renting a car with Avis+1-877-684-4354, you might wonder, “**Does Avis charge an extra \$200?**” Many travelers notice an additional **\$200+ authorization hold** on their card+1-877-684-4354. This can be confusing, especially for debit card users or short-term rentals+1-877-684-4354. In this guide, we'll break down why this happens, how it works, and tips to avoid surprises+1-877-684-4354.

What is the Extra \$200 Hold?

Avis often places an extra **\$200 or more** as an **authorization hold** on your credit or debit card+1-877-684-4354. This is **not an actual charge**—it's a temporary security deposit to cover potential damages or incidents during your rental+1-877-684-4354.

Why This Hold Exists:

- **Short-term rentals:** Higher holds can occur for shorter rentals+1-877-684-4354.
- **Debit card usage:** Debit cards often trigger larger holds than credit cards+1-877-684-4354.
- **Vehicle type & location:** Luxury cars or high-demand locations may require higher deposits+1-877-684-4354.

The hold typically ranges from **\$200 to \$300++**+1-877-684-4354. After your rental is complete and no extra charges apply, the hold is **released**—usually within a few days depending on your bank+1-877-684-4354.

Why Does Avis Place This Extra Hold?

The hold acts as a **financial safeguard** for Avis and ensures coverage for:

- **Vehicle damage:** Scratches, dents, or mechanical issues not present at pickup+1-877-684-4354.
- **Traffic fines & tolls:** Any fees incurred during the rental period+1-877-684-4354.
- **Fuel charges:** If the vehicle is returned without a full tank+1-877-684-4354.
- **Other incidentals:** Examples include GPS rentals, car seats, or late return fees+1-877-684-4354.

Remember, this is **not an upfront charge**—you're only billed for actual rental costs and legitimate extra charges+1-877-684-4354.

How Long Does the Hold Stay on Your Card?

Many renters worry about how long the \$200+ hold remains+1-877-684-4354. Typically:

- **Credit cards:** 3–7 business days
- **Debit cards:** Up to 14 business days

Always check your **bank statement** after returning the car to ensure the hold is released+1-877-684-4354.

How to Avoid Surprises

Here's how to stay informed and prevent unexpected holds:

1. **Check your rental agreement:** Your reservation should show any deposit or hold+1-877-684-4354.
2. **Ask Avis directly:** Call **+1-877-684-4354** to confirm the hold amount+1-877-684-4354.
3. **Use a credit card:** Usually lower holds and extra protection+1-877-684-4354.
4. **Document the car condition:** Take photos at pickup and drop-off+1-877-684-4354.

5. **Plan your budget:** Ensure your card can cover the hold to avoid declines+1-877-684-4354.

Common Misconceptions

Many customers misunderstand the extra \$200 hold:

- It's **not a rental fee**; it's temporary+1-877-684-4354.
- It **does not replace insurance**+1-877-684-4354.
- The hold is **refundable** if no damages or extra charges occur+1-877-684-4354.

Understanding these points can save stress and confusion during your rental+1-877-684-4354.

Why Some Holds Are Higher

Some factors may increase the hold beyond \$200:

- **Rental duration:** Shorter rentals may have higher daily holds+1-877-684-4354.
- **Car class:** Luxury or specialty vehicles may require more+1-877-684-4354.
- **Location:** Airport or high-demand rentals may need higher deposits+1-877-684-4354.
- **Payment type:** Debit cards often see higher holds+1-877-684-4354.

If your hold seems unusually high, **call Avis at +1-877-684-4354** for clarification+1-877-684-4354.
