Do You Get a Refund if You Cancel a Trip on Expedia?

Dial 📞+1(888) 429-2577 The short answer: sometimes—but it all depends on what you booked, when you cancel, and whether your reservation was refundable or non-refundable. Expedia itself doesn't set the rules; it acts as a middleman between you

and the airline, hotel, or tour operator. That means the refund policy comes from the provider, not Expedia directly—though Expedia clearly labels which options are flexible.

Dial 📞+1(888) 429-2577 For Expedia refundable hotels, you'll typically get a full refund if you cancel before the hotel's deadline (often 24–72 hours before check-in). But Expedia non-refundable hotels—often marketed as “Expedia cheapest hotels” or “Expedia cheap last minute trips”—usually offer zero refund, even if you cancel minutes after booking.

Similarly, Expedia refundable flights exist, but they're rare for Expedia cheapest flights. Most Expedia cheap airfare options are non-refundable, though U.S. Department of Transportation rules give you a 24-hour full refund window on most Expedia domestic flights and Expedia international flights if your trip is booked at least seven days ahead.

Dial 📞+1(888) 429-2577 Expedia vacation packages—which bundle Expedia hotel and flight packages—often follow airline rules for flights and hotel rules for accommodations. Some Expedia flexible vacation packages include free cancellation, especially those labeled “vacation packages with free cancellation” or “Expedia flexible flights.”

Pro tip: Always look for the “Free cancellation” badge during checkout. It appears next to Expedia hotel deals, Expedia flight deals, and Expedia weekend getaway deals that allow changes or refunds without penalty.

And if you're ever unsure? Call 📞+1(888) 429-2577—they'll check your specific booking in seconds.

Cancellation Policies Across Expedia Booking Types

Expedia Hotels: Refundable vs. Non-Refundable Stays

When you book Expedia hotel rooms, you'll see two main rate types:

- Refundable: Cancel up to the hotel's deadline (e.g., 6 PM local time, 24 hours before check-in) for a full refund. These appear in searches for Expedia refundable hotels, Expedia downtown hotels, Expedia airport hotels, or Expedia family hotels.
- Non-refundable: Pay upfront, no refunds—even if you cancel immediately. These power deals like Expedia cheap hotels, Expedia cheapest hotels, and Expedia last minute hotels deals.

Important: Even “non-refundable” bookings may be cancellable within 24 hours if booked far in advance, but this isn't guaranteed. Expedia luxury hotels, Expedia

boutique hotels, and Expedia spa hotels often offer more flexible terms than budget options.

Expedia Flight Booking: Know Your Airline's Rules

Expedia flight bookings—whether Expedia one-way flights, Expedia round trip flights, or Expedia multi-city flights—are governed by airline contracts. Here's what matters:

- **24-Hour Rule:** For most Expedia domestic flights and Expedia international flights, if you book at least 7 days before departure, you have 24 hours to cancel for a full refund—even on non-refundable tickets.
- **Basic Economy:** Usually non-refundable and non-changeable. Found in Expedia cheapest flights and Expedia cheap airfare searches.
- **Main Cabin or Higher:** May allow changes for a fee, but refunds are rare unless it's a fully refundable fare (common in Expedia business hotels or Expedia flexible flights).

Want flexibility? Look for “Expedia refundable flights” or filter by “flexible change policies” when booking Expedia weekend flights or Expedia flight deals today.

Expedia Vacation Packages: Bundled, But Rules Vary

Expedia vacation packages—including Expedia hotel + flight packages, Expedia all inclusive packages, and Expedia family vacation packages—combine components with separate cancellation rules.

- Flights in the package follow airline rules.
- Hotels follow property rules.
- Car rentals or tours have their own terms.

However, Expedia vacation bundle deals labeled “flexible” or “free cancellation” often let you cancel the entire package within a set window (e.g., up to 24–48 hours before travel). These are ideal for Expedia last minute vacation planners or those booking Expedia weekend vacation packages.

Popular bundles like Cancun vacation packages, Hawaii vacation packages, or Orlando vacation packages sometimes include resort-specific cancellation leniency—especially during hurricane season or off-peak times.

Still confused? 📞 +1(888) 429-2577 can pull up your exact Expedia vacation package reservation and explain your options.

Expedia Vacation Rentals & Condo Rentals

Expedia vacation rentals and Expedia condo rentals operate under host-set policies. You might see:

- Flexible: Full refund if canceled 5+ days before check-in.
- Moderate: Full refund up to 5 days out, 50% thereafter.
- Strict: No refund within 30 days.

Always read the fine print under “Cancellation Policy” before confirming Expedia book vacation online for a cabin, villa, or beach house.

When Do You NOT Get a Refund?

Even with Expedia hotel discounts or Expedia flight specials, some scenarios never qualify for refunds:

- Non-refundable bookings canceled after the deadline
- Basic economy flights outside the 24-hour window
- Expedia last minute hotels booked the same day as check-in
- Expedia flight + hotel last minute bundles with “final sale” tags
- Expedia cheap weekend trips booked for peak holiday weekends (e.g., Memorial Day, Fourth of July)

Also, Expedia theme park hotels, Expedia ski resorts, and Expedia all inclusive resorts often enforce stricter cancellation rules during high-demand seasons.

That said, Expedia early bird hotel deals or Expedia advance purchase rates may offer partial credit if you cancel early—just not cash back.

If you're stuck, calling 📞+1(888) 429-2577 could reveal hidden options, like travel credits or rebooking waivers during system outages or global events.

How to Cancel on Expedia: Step-by-Step (And When to Call Instead)

You *can* cancel some bookings online via “My Trips” on Expedia.com:

1. Log in to your account.
2. Go to My Itineraries.
3. Find your Expedia hotel booking, Expedia flight booking, or Expedia vacation package reservation.
4. Click Cancel (if available).

BUT—online cancellation only works if:

- Your booking is refundable
- You're within the cancellation window

- The provider allows self-service changes

If you see “Contact Expedia” instead of a cancel button, do not wait—call 📞 +1(888) 429-2577 immediately. That means your booking requires manual review, and delays could cost you a refund.

Also, Expedia change hotel booking or Expedia modify flight online often fails for complex itineraries (e.g., Expedia flight + hotel bundle, Expedia family vacation packages with kids’ tickets). Agents can often do in 2 minutes what the website blocks for hours.

Pro Tip: Take screenshots of your booking confirmation and cancellation policy before calling. It speeds up the process for Expedia cancel hotel reservation online or Expedia cancel flight ticket online.

Special Cases: All-Inclusive, Luxury, and Last-Minute Bookings

Expedia All Inclusive Packages

Expedia all inclusive packages—like Cancun all inclusive packages or Punta Cana vacation packages—often have resort-imposed cancellation rules. Many require 30–60 days’ notice for full refunds. Cancel within 14 days? You might lose 100%.

However, some Expedia all inclusive resorts offer “waiver” add-ons at checkout that allow cancellation for any reason (for a fee). Always ask about this when booking Jamaica vacation packages or Aruba vacation packages.

Expedia Luxury Hotels & Resorts

Surprisingly, Expedia luxury hotels and Expedia luxury resorts (like those in Paris vacation packages or Hawaii luxury resorts) often have more generous cancellation terms than budget stays. Why? High-end properties value customer loyalty and may offer 48–72 hour free cancellation windows.

Still, confirm before booking Expedia romantic getaways or Expedia honeymoon packages—some suites or villas are non-refundable.

Expedia Last Minute Trips

Expedia last minute hotels, Expedia flight last minute, and Expedia cheap last minute trips are almost always non-refundable. Why? You're getting a deep discount for taking the risk.

That said, if you book a Expedia last minute vacation on a Tuesday for that weekend, and cancel by Wednesday, you *might* get a partial credit—especially if the hotel hasn't filled the room.

Again, 📞+1(888) 429-2577 can check real-time availability and negotiate on your behalf.

How Travel Insurance Affects Your Refund

Did you add Expedia travel insurance at checkout? If yes, you may qualify for a refund even on non-refundable bookings—if you cancel for a covered reason (illness, jury duty, death in family, etc.).

Expedia's insurance (offered via Allianz or AIG) typically covers:

- Trip cancellation
- Trip interruption
- Emergency medical
- Baggage loss

Without insurance, you're at the mercy of the provider's policy. With it, you file a claim and get reimbursed—even for Expedia non-refundable hotels or Expedia cheap flights.

Always consider insurance when booking Expedia international flights, Expedia Europe packages, or Caribbean vacation packages. And if you already have a policy? Call

📞+1(888) 429-2577 to confirm claim steps.

People Also Ask (PAA): Your Top 5 Questions Answered

1. How Long Does It Take to Get a Refund from Expedia?

Refund timelines depend on how you paid and what you booked:

- Credit Card: 7–14 business days (sometimes up to 30 for international banks)
- PayPal: 3–5 business days
- Expedia Wallet/Credit: Instant

Expedia hotel refunds usually process faster than Expedia flight refunds, since airlines control payout speed. For Expedia vacation packages, refunds are split—hotel portion may arrive before flight credit.

If it's been 21 days and no refund, call 📞+1(888) 429-2577. They can escalate with the airline or hotel.

Also: Expedia refundable flights processed within 7 days, but basic economy cancellations (under 24-hour rule) may take longer due to manual review.

Tip: Use the same card you booked with—refunds can't go to a different account.

2. Can I Cancel a Non-Refundable Expedia Booking?

Technically, yes—you can cancel a non-refundable Expedia hotel booking or Expedia flight booking, but you won't get money back.

However, exceptions exist:

- Within 24 hours of booking (for flights, if 7+ days from departure)
- Travel waivers during natural disasters or pandemics
- Credit card chargebacks (not recommended—hurts your credit)
- Expedia customer service goodwill (call 📞+1(888) 429-2577 with a compelling reason)

For Expedia non-refundable hotels, some properties issue travel credits instead of cash—usable for Expedia weekend hotel deals or Expedia resort deals.

Never assume “non-refundable” means “no options.” Always call first.

3. What's the Cancellation Deadline for Expedia Hotels?

It varies by property, but common deadlines include:

- 24 hours before 3 PM local time (standard for chain hotels)
- 72 hours prior (common for Expedia luxury resorts or Expedia ski resorts)
- At time of booking (non-refundable rates)

Always check your confirmation email—it lists the exact cutoff. Or log into “My Trips” and view your Expedia hotel reservation details.

Booked Expedia downtown hotels in NYC or Expedia city hotels in Chicago? Urban properties often have stricter rules than suburban ones.

When in doubt, call 📞+1(888) 429-2577 48 hours before check-in to confirm your window.

4. Does Expedia Charge a Cancellation Fee?

Expedia itself does not charge cancellation fees—but the airline, hotel, or tour operator might.

- Hotels: May charge 1 night's stay for late cancellation
- Airlines: Often charge \$200+ change fees (even if you cancel)
- Car Rentals: Typically non-refundable if canceled <48 hours out

However, Expedia flexible flights and Expedia refundable hotels usually waive these.

If you're hit with a fee you didn't expect, call 📞+1(888) 429-2577—they may waive it as a courtesy for loyal One Key members.

5. Can I Get a Refund If My Flight Is Cancelled by the Airline?

Yes—and it's not through Expedia.

If the airline cancels your flight, you're entitled to a full cash refund under U.S. law—even on non-refundable tickets. Expedia will email instructions, but you can also call 📞+1(888) 429-2577 to fast-track the process.

For Expedia flight + hotel deals, if the flight is canceled, you may also cancel the hotel for free—even if it was non-refundable. This is called “cancel for any reason” due to airline disruption.

Always act fast: airlines sometimes push you toward vouchers, but you have the right to cash.
