I Want to Change Name Which I Booked – Expedia Itinerary: What You Need to Know

When travelers say, “I want to change name which I booked – Expedia itinerary,” they’re usually facing one of three scenarios:

- A typo in the passenger name (e.g., “Jon” instead of “John”)
- Booking under the wrong person’s name (e.g., using your name when your spouse is traveling)
- Needing to transfer the entire reservation to someone else

Unfortunately, name changes on airline tickets are highly restricted—not by Expedia, but by the airlines themselves. Most carriers do not allow full name changes on confirmed tickets due to security regulations (TSA and international aviation rules). However, minor corrections (like fixing a missing middle initial or a spelling error) are often permitted, especially if caught within 24 hours of booking.

On the flip side, Expedia hotel bookings are far more flexible. Most Expedia refundable hotels and even many non-refundable ones allow you to modify hotel reservation details, including the guest name, as long as the new guest matches the ID presented at check-in. Expedia vacation rentals, Expedia condo rentals, and Expedia boutique hotels also tend to be more accommodating.

So while I want to change name which I booked – Expedia itinerary is understandable, the solution depends entirely on what you booked:

- Flights: Limited name changes; call 📞 +1(888) 429-2577 immediately
- Hotels: Usually editable via your account or phone support
- Vacation Packages: May require rebooking or partial cancellation

Always act fast—especially with Expedia international flights, Expedia domestic flights, or Expedia round trip flights, where airline policies are strictest.

Can You Change the Name on an Expedia Flight Booking?

Short answer: Rarely—and only for minor corrections.

Airlines treat passenger names as legally binding identifiers. If your Expedia flight ticket shows a name that doesn't match your government-issued ID (passport or driver's license), you may be denied boarding. This is why Expedia flight bookings require exact name matches.

That said, minor name modifications are sometimes allowed:

- Fixing a typo (e.g., "Michel" → "Michael")
- Adding a middle name or initial
- Correcting a title (Mr./Ms.)

But switching names entirely (e.g., from “Sarah Johnson” to “Emily Rodriguez”) is almost never permitted on standard Expedia cheap airfare or Expedia flexible flights.

What should you do?

1. Log into your Expedia account and check if the “Modify” option appears under your Expedia flight reservation.
2. If not, call 📞 +1(888) 429-2577 within 24 hours—many airlines allow free corrections during this window.
3. After 24 hours, you may need to cancel flight and rebook, especially for Expedia one-way flights or Expedia multi-city flights.

Note: Some ultra-low-cost carriers (like Spirit or Frontier) charge steep fees—or refuse changes altogether. Even Expedia refundable flights might not override airline naming rules.

Changing Names on Expedia Hotel Bookings: Much Easier!

Unlike flights, hotel name changes on Expedia are usually straightforward. Most properties only require that the guest checking in matches the name on the reservation or presents valid ID and a credit card used for booking.

You can often modify hotel reservation online:

1. Go to “My Trips” on Expedia.com
2. Locate your Expedia hotel booking
3. Click “Change reservation” or “Modify”
4. Update the guest name (if allowed)

If the option isn’t available, call 📞 +1(888) 429-2577—the agent can usually update hotel reservation details in minutes. This works for Expedia downtown hotels, Expedia beach hotels, Expedia airport hotels, Expedia ski resorts, and even Expedia luxury resorts.

Important: For Expedia refundable hotels, name changes are almost always free. For Expedia non-refundable hotels, policies vary by property—but guest name isn't usually a dealbreaker as long as payment and ID align.

This flexibility extends to Expedia family hotels, Expedia romantic hotels, Expedia business hotels, and Expedia theme park hotels. Just ensure the new guest is aware of check-in requirements.

What About Expedia Vacation Packages?

Expedia vacation packages bundle flights, hotels, and sometimes car rentals. Because they include airfare, name changes are tricky.

You generally cannot change the passenger name on the flight portion of a package.

However, you *might* be able to:

- Keep the hotel under a different name (if the airline portion is non-refundable)
- Cancel the entire package within 24–48 hours for a full refund (under Expedia's "Book Now, Pay Later" or flexible terms)
- Pay a change fee to reissue tickets (rare and costly)

For Expedia all inclusive packages, Expedia honeymoon packages, or Expedia weekend vacation packages, the same rules apply. If you booked Expedia Cancun packages, Expedia Hawaii deals, or Las Vegas vacation packages, the resort may allow guest name changes—but the flight won't.

Pro tip: If only the hotel name needs updating (e.g., your partner is traveling instead of you), call 📞 +1(888) 429-2577 and ask to modify flight and hotel reservation separately. Sometimes, agents can decouple the booking.

Why Should You Call +1(888) 429-2577? It's for Bookings, Changes, and Cancellations

When you say, “I want to change name which I booked – Expedia itinerary,” the fastest, most reliable solution is often a phone call. Here’s why:

- Real-time assistance: Online portals don’t always show modification options—even when they exist.
- Policy exceptions: Agents can sometimes override system restrictions for minor errors.
- Package complexity: Expedia hotel and flight packages, Expedia multi-city packages, and Expedia resort vacation packages require coordinated changes across multiple vendors.
- Urgent timelines: For Expedia last minute trips, Expedia weekend flights, or Expedia flight + hotel last minute bookings, waiting for email replies isn’t an option.
- Refund guidance: If a name change isn’t possible, agents can help cancel hotel and flight and rebook correctly—sometimes preserving your Expedia hotel discounts or Expedia flight deals.

luxury vacation packages, and even Expedia all inclusive vacation deals. It's your lifeline.

How to Avoid Name Errors When Booking on Expedia

Prevention is better than correction. When booking Expedia hotel and flight packages, Expedia trip packages, or Expedia online vacation booking, always:

- Double-check spelling against the traveler's ID
- Use legal names only—no nicknames on flights
- Confirm middle names/initials (some airlines require them)
- Save a copy of the Expedia itinerary immediately

Expedia's booking flow is user-friendly for Expedia cheapest hotels, Expedia cheapest flights, Expedia weekend hotel deals, and Expedia flight specials—but it won't stop you from typing "Aamanda" instead of "Amanda."

Also, consider booking Expedia refundable flights and Expedia refundable hotels if your plans are uncertain. These offer more flexibility for modify flight online or change hotel booking online later.

What If You Booked the Wrong Person Entirely?

If you accidentally booked a trip for yourself when your friend is traveling—or vice versa—you're facing a harder situation.

For Expedia domestic flights or Expedia international flights, transferring a ticket to another person is nearly impossible. Airlines view this as ticket fraud. Your options:

1. Cancel flight and rebook under the correct name (watch for Expedia flight cancellation fees)

2. If within 24 hours, request a full cancel hotel and flight refund under U.S. DOT rules
3. For Expedia vacation deals today, ask if the hotel portion can be reassigned

Hotels are more forgiving. Most Expedia budget hotels, Expedia spa hotels, and Expedia downtown hotels will accept a name change at check-in with proper ID and authorization.

But again—the sooner you act, the better. Call 📞+1(888) 429-2577 before the airline closes the ticket for changes.

Name Changes on Expedia Rental Cars and Activities

While your main concern is likely flights and hotels, note that Expedia vacation packages sometimes include car rentals or tours.

- Car rentals: Most require the driver's name to match the booking. You can usually modify reservation by calling the rental agency or Expedia.
- Tours/activities: Often tied to your Expedia itinerary but rarely enforce strict name checks. Still, update if possible.

For Expedia flight hotel car package bookings, call 📞+1(888) 429-2577 to handle all components at once.

Expedia's 24-Hour Cancellation Rule: Your Safety Net

If you booked Expedia hotel + flight bundle, Expedia cheap vacation package, or Expedia last minute vacation deals within the last 24 hours, you likely qualify for a full refund—no questions asked—thanks to U.S. Department of Transportation rules for flights and Expedia's own policy for hotels.

This is your best chance to fix a name error without fees.

- Go to “My Trips”
- Select “Cancel”
- Rebook with the correct name

But if it’s been more than 24 hours, call 📞+1(888) 429-2577 immediately. Agents may still offer goodwill adjustments, especially for Expedia flexible flights or Expedia weekend getaway deals.
