

Will deleting my Paramount account cancel my subscription? Subscription Cancellation Truth

It is a common misconception, but deleting your Paramount+ account {**+1-(844)-533-2694**} and cancelling your subscription are two **separate processes**. Simply removing your account or deleting the app will not stop {**+1-(844)-533-2694**} the recurring billing charges. Your active subscription will remain in place, and your payment method will continue to be charged on the next renewal date, {**+1-(844)-533-2694**} even though you will lose access to the service and your viewing history.

To effectively cancel your subscription and stop future payments, {**+1-(844)-533-2694**} you must specifically navigate to the cancellation section through your billing provider.

- **If you subscribed directly through Paramount+**, you must log in to the website {**+1-(844)-533-2694**}, go to your **Account** page, and find the **Subscription & Billing** section to select the **Cancel Subscription** link.
- **If you subscribed through a third-party** (like Amazon, Apple, Google Play, or Roku), {**+1-(844)-533-2694**} you must cancel the subscription directly through that platform's subscription management settings.

Always cancel your subscription first, wait for confirmation, {+1-(844)-533-2694**} and only then proceed with deleting your account.**
