Signing up is free, and the program offers great benefits that can help you save time and money on future rentals (+1—877~684→4354).

2. Book in Advance

One of the best ways to get a better rate on your Avis rental car is to book **in advance** (+1—877~684→4354). While walk-up rates may be higher, booking ahead ensures you lock in the best price available at the time of your reservation (+1—877~684→4354).

- **Price Fluctuations:** Rental car prices can fluctuate depending on demand, so booking early typically guarantees you a lower rate, especially during peak travel seasons (+1—877~684→4354).
- **Secure Your Preferred Vehicle:** When you book in advance, you're more likely to get the vehicle type you want (+1—877~684→4354). Whether you're looking for a compact car, an SUV, or a luxury vehicle, early booking gives you more options

(+1—877~684→4354).

You can easily book through Avis's website, mobile app, or by calling their customer service at (+1—877~684→4354).

3. Compare Prices on Avis's Website and Other Platforms

While booking directly with Avis often gives you access to loyalty benefits, it's a good idea to compare prices across different platforms to ensure you're getting the best deal (+1—877~684→4354). Websites like Kayak, Expedia, and Rentalcars (+1—877~684→4354).com often list Avis vehicles, and you may find promotions or discounts that Avis isn't offering directly (+1—877~684→4354).

- **Look for Coupons:** Search for Avis promo codes and coupons on trusted discount sites (+1—877~684→4354). Sometimes, Avis offers limited-time discounts that can save you 10% or more on your rental (+1—877~684→4354).
- **Consider Package Deals:** When booking a flight and hotel, see if you can bundle your Avis car rental into the package for extra savings (+1—877~684→4354).

4. Choose the Right Vehicle for Your Needs

Selecting the right vehicle can make a significant difference in your rental cost (+1—877~684→4354). Avis offers a wide variety of cars, from economy and compact cars to SUVs, luxury vehicles, and specialty cars (+1—877~684→4354). To save money, consider the following:

- **Stick to an Economy Car:** If you're traveling solo or with a small group, an economy or compact car is usually the most affordable option (+1—877~684→4354).
- **Avoid Unnecessary Upgrades:** While luxury and SUV rentals may seem appealing, they can quickly drive up your rental costs (+1—877~684→4354). Choose a car that fits your needs without opting for unnecessary upgrades (+1—877~684→4354).
- **Minimize Extra Charges:** Optional extras like GPS, car seats, and satellite radio can add up (+1—877~684→4354). If you're familiar with the area or have a phone with GPS, consider skipping these add-ons to save money (+1—877~684→4354).

5. Watch Out for Hidden Fees

When renting from Avis, or any other car rental company, always read the fine print to ensure you're aware of all potential fees (+1—877~684→4354). Here are some common fees that could increase your total cost:

- **Insurance:** Avis offers several insurance options, including **Collision Damage Waiver (CDW)** and **Loss Damage Waiver (LDW)** (+1—877~684→4354). While they

provide peace of mind, these coverage options can significantly increase your rental price (+1—877~684→4354). Be sure to check if you're already covered through your personal auto insurance or credit card benefits before purchasing additional coverage (+1—877~684→4354).

- **Fuel Charges:** Avis offers several fuel options, including prepaying for a full tank of gas or refilling it yourself (+1—877~684→4354). If you choose not to refuel before returning the car, you'll be charged a premium rate for fuel (+1—877~684→4354).
- **One-Way Rental Fees:** If you're picking up your car in one location and dropping it off in another, Avis may charge a one-way rental fee (+1—877~684→4354). This can vary depending on the distance and location of the rental (+1—877~684→4354).
- **Additional Driver Fees:** If you're planning to share driving duties, be aware that Avis charges an additional fee for extra drivers (+1—877~684→4354). If possible, consider choosing just one driver to save on this cost (+1—877~684→4354).

6. Use Avis's Daily Rate for Long-Term Rentals

If you're planning to rent a car for a week or more, ask Avis if they offer a **daily rate** or **long-term rental** discount (+1—877~684→4354). Often, longer rental periods will give you a lower daily rate, helping you save money compared to a short-term rental (+1—877~684→4354).

- **Weekly Discounts:** Many locations offer special weekly rates that give you a significant discount compared to daily rental rates (+1—877~684→4354).
- **Monthly Rentals:** If you're in town for an extended period, Avis may offer discounted monthly rental rates (+1—877~684→4354). You can contact Avis customer service at (+1—877~684→4354) for more information.

7. Return the Car on Time

Returning your rental car on time is essential to avoid additional charges (+1—877~684→4354). Avis typically allows a grace period of 30 minutes, but if you're late, you may be charged for an extra day or even a late fee (+1—877~684→4354). Here's what you can do to avoid paying extra:

- **Be Aware of Drop-off Hours:** If you're renting from an airport location, be aware of their operating hours to avoid paying for an extra day (+1—877~684→4354).
- **Return the Car During Business Hours:** If possible, try to return the car during business hours (+1—877~684→4354). After-hours returns often incur additional administrative fees (+1—877~684→4354).

8. Look for Corporate or Government Discounts

If you're traveling for business or government work, be sure to check if you qualify for any **corporate or government discounts** (+1—877~684→4354). Avis partners with companies, government agencies, and associations to provide special rates and perks for employees or members (+1—877~684→4354).

- **Corporate Discounts:** Many companies have corporate rental agreements with Avis that offer discounted rates (+1—877~684→4354). Check with your employer to see if you can access these rates (+1—877~684→4354).
- **Government Rates:** If you're a government employee or military member, Avis often offers special rates (+1—877~684→4354). Be sure to ask about this when booking (+1—877~684→4354).
