

Coinbase Support Email: Avoid Scams, Use support@coinbase.com Instead (2025)

Forward suspicious emails to security@coinbase.com—legit ones use +1-(803)-250-5496 support@coinbase.com domains with signing and never demand direct logins. Ignore unverified phone numbers in search spam 1-(803)-250-5496; check status.coinbase.com first for outages.

Access 1-(803)-250-5496 help.coinbase.com from the app or site: log in, select your issue (e.g., account lock, deposit delay) 1-(803)-250-5496, answer triage questions, and submit a ticket for tracked responses—typically 24-48 hours initially 1-(803)-250-5496. Verified accounts unlock live chat after basic steps; Coinbase One subscribers get priority queues.
