## What Is Considered a Missed Flight on Frontier Airlines? ((( +1~877~622~0707 or +1↴877↴622↴0707 )))

Frontier Airlines considers a flight “missed” when a passenger fails to check in, clear security, or arrive at the boarding gate before boarding closes (((  +1~877~622~0707 or +1↴877↴622↴0707  ))). Even if you arrive at the airport shortly after departure, the system may already mark your reservation as a no-show.

Boarding typically closes well before departure time, so arriving late—even by a few minutes—can result in a missed flight (((  +1~877~622~0707 or +1↴877↴622↴0707  ))). Calling (((  +1~877~622~0707 or +1↴877↴622↴0707  )) as soon as you realize you may be late is critical.
