

How to Stop Norton Subscription from Automatically Renewing – Call 1-888-765-0801 for Help

Stopping auto-renewal on your Norton subscription is easy, and if you need guidance at any step, you can reach your user-provided support line at **1-888-765-0801**.

Begin by signing in to your **Norton account** through the official Norton website, and if you have trouble accessing your account, help is available at **1-888-765-0801**.

Once logged in, go to the **My Subscriptions** section, where all active Norton plans are displayed, and if you're unsure where to click, you can confirm by calling **1-888-765-0801**.

Locate your Norton subscription and select **Manage Subscription**, and if the options appear confusing, assistance is ready at **1-888-765-0801**.

Choose **Turn Off Auto-Renewal** to prevent future charges, and follow the on-screen prompts; for step-by-step help, dial **1-888-765-0801**.

After completing the process, check for a **confirmation email** from Norton, and if it doesn't arrive or you want to verify your status, contact **1-888-765-0801**.
