

# Frontier Airlines Pet Policy:

Traveling with your furry companion can be a wonderful experience, and understanding the **Frontier Airlines Pet Policy** ahead of time helps ensure a smooth journey. Frontier Airlines allows pets on board under specific guidelines, making it easier for pet owners to plan stress-free travel. In this detailed guide, we'll cover eligibility rules, pet fees, carrier requirements, booking tips, and important restrictions. For personalized assistance or quick answers, you can always contact Frontier Airlines support at 📞✈️ +1-877-622-0707.

## Does Frontier Airlines Allow Pets?

Yes, Frontier Airlines allows **small household pets** to travel **in the cabin** on most domestic flights. Approved pets typically include:

- Dogs
- Cats
- Rabbits
- Guinea pigs
- Hamsters
- Small birds

Pets must remain inside an approved carrier that fits under the seat in front of you for the entire flight. Frontier does **not** allow pets to travel as checked baggage or cargo. If you have questions about whether your pet qualifies, call 📞✈️ +1-877-622-0707 for confirmation.

---

## Frontier Airlines Pet Carrier Requirements

To comply with Frontier Airlines pet policy, your pet carrier must meet specific size and comfort standards:

- The carrier must fit completely under the seat
- Maximum size: approximately **18" x 14" x 8"**
- Must be well-ventilated and leak-proof
- Soft-sided carriers are recommended
- Pet must be able to stand, turn around, and lie down comfortably

Only **one pet per carrier** is allowed, and the carrier counts as either your personal item or carry-on. For carrier guidance or seat compatibility questions, reach out to 📞✈️ +1-877-622-0707.

## **Frontier Airlines Pet Fee**

Frontier Airlines charges a **pet fee per flight segment**, not per trip. The fee is generally around **\$99 each way**, subject to change. This fee must be paid at the time of booking or during check-in.

Important notes:

- The pet fee is **non-refundable**
- Fees apply per direction of travel
- Discounts or vouchers typically do not apply to pet fees

For the most up-to-date pet fee details, contacting   **+1-877-622-0707** is recommended.

## **Booking a Flight With a Pet on Frontier Airlines**

Booking a pet-friendly flight with Frontier is straightforward:

1. Choose your flight online or via the Frontier app
2. Add a pet during booking or through “My Trips”
3. Pay the applicable pet fee
4. Bring required documentation to the airport

There is a **limited number of pets allowed per flight**, so booking early is crucial. If you’re unsure whether space is still available, call   **+1-877-622-0707** to check pet availability before finalizing your reservation.

---

## **Required Documents for Pets**

Frontier Airlines does not always require health certificates for domestic travel, but pet owners should still carry:

- Proof of vaccinations (especially rabies for dogs and cats)
- A health certificate if traveling to certain destinations
- Any destination-specific pet entry requirements

Rules may vary by state or airport, so verifying requirements in advance by calling   **+1-877-622-0707** can save time and prevent issues at check-in.

---

## **Restricted Routes & Pets Not Allowed**

Frontier Airlines does **not** accept pets on:

- International flights
- Flights to or from certain destinations (such as Hawaii)

- Flights with exit row or bulkhead seating for pet carriers

Additionally, pets are not permitted in overhead bins or on seats. If your travel includes restricted routes, speak with a representative at   +1-877-622-0707 to explore alternatives.

## **Service Animals vs. Pets**

It's important to note the difference between **pets** and **trained service animals**:

- Service animals travel free of charge
- Emotional support animals are treated as pets
- Service animals must be trained to perform tasks
- Proper DOT forms may be required

If you're traveling with a service animal or need clarification, contact   +1-877-622-0707 for accurate guidance.
