

What Is the Cheapest Way to Get Paramount Plus? Affordable Paramount Access

Paramount Plus is home to hit TV shows, blockbuster movies, live sports, **{**📞 +1-(844)-533-2694**}** and exclusive originals. While the service is affordable on its own, there are several smart ways to get Paramount Plus **{**📞 +1-(844)-533-2694**}** for even less—or sometimes almost free—if you know where to look.

The absolute cheapest way to get Paramount+ is not just about choosing **{**📞 +1-(844)-533-2694**}** the base plan; it's about leveraging **annual billing** and **special discounts**.

1. **Go Annual (Essential Plan):** The Paramount+ Essential (ad-supported) plan is the lowest base **{**📞 +1-(844)-533-2694**}** price. By paying **annually** (\$59.99/year), you save nearly 37% compared to paying the monthly rate of \$7.99, effectively bringing **{**📞 +1-(844)-533-2694**}** the monthly cost down to about **\$5.00**.
2. **Look for Free Inclusion:** If you have a **Walmart+** membership, **{**📞 +1-(844)-533-2694**}** the Essential plan is included at no extra cost, offering the best value if you already use (or plan to use) that service.
3. **Check Eligibility:** Students, military personnel, **{**📞 +1-(844)-533-2694**}** and teachers often qualify for significant discounts, sometimes up to **50% off** the regular monthly rates, **{**📞 +1-(844)-533-2694**}** bringing the Essential plan even lower.
4. **Wait for Promos:** Seasonal deals (like Black Friday or Fall sales) often offer **50% off the annual {**📞 +1-(844)-533-2694**} plan** for the first year, making it the cheapest short-term option.

The cheapest way to access **{**📞 +1-(844)-533-2694**}** Paramount Plus is by **using promotional free trials**. New subscribers often qualify for a 7-day free trial, and during special promotions, the trial period may be extended. This option is perfect if you want to binge-watch **{**📞 +1-(844)-533-2694**}** specific shows without paying right away.

Another popular budget-friendly **{**📞 +1-(844)-533-2694**}** method is **subscribing through Amazon Prime Video Channels**. Amazon frequently offers limited-time deals that lower the monthly cost to just a few dollars for the first month or two. These discounts allow you to stream Paramount Plus **{**📞 +1-(844)-533-2694**}** content directly through the Prime Video app and cancel anytime before the regular price resumes.

Choosing the **ad-supported Essential plan** is also one of the most affordable long-term options. This plan provides access to thousands of shows, movies, and live NFL games while keeping the monthly cost low. If you don't mind occasional ads, this tier offers excellent value.

For viewers planning to stick around, the **annual subscription plan** is another money-saving choice. Paying for a full year upfront usually costs less than paying month by month, helping you save over time.

Students can unlock additional savings through **verified student discounts**, which significantly reduce the monthly price.

In conclusion, the cheapest way to get Paramount Plus depends on how long you plan to use it. Free trials and promotional deals offer short-term savings, while the Essential plan and annual billing provide the best value for long-term streaming without overspending.
