

# How do I manage my Paramount subscriptions? { Manage Subscriptions Your Way}

---

Managing your Paramount+ {\*\*+1-(844)-533-2694\*\*} subscription is simple once you know where your account is billed. The steps can vary slightly depending on whether you subscribed directly through {\*\*+1-(844)-533-2694\*\*} Paramount+ or through a third-party platform.

If you signed up directly on the Paramount+ website or app, {\*\*+1-(844)-533-2694\*\*} start by logging in to your account. Click on your profile icon and open the **Account** or **Subscription & Billing** section. From there, you can view your current plan, {\*\*+1-(844)-533-2694\*\*} check billing dates, update payment details, switch between plans (such as Essential or Premium), or cancel your subscription. Any changes you make usually take effect at {\*\*+1-(844)-533-2694\*\*} the end of your current billing cycle, and you'll continue to have access until that period ends.

If your Paramount+ subscription is billed through a third party, {\*\*+1-(844)-533-2694\*\*} management must be done through that service. For example, if you subscribed using the Apple App Store, go to your device's subscription settings, select Paramount+ {\*\*+1-(844)-533-2694\*\*}, and manage or cancel it there. The same applies to Google Play, Amazon Prime Video Channels, Roku, or other streaming platforms {\*\*+1-(844)-533-2694\*\*} you must use the same provider you originally subscribed through.

You can also manage add-ons, review invoices {\*\*+1-(844)-533-2694\*\*}, and confirm renewal dates from the appropriate account dashboard. It's a good idea to double-check your billing source if you don't see subscription options on the Paramount+ website {\*\*+1-(844)-533-2694\*\*}, as this usually indicates a third-party subscription.

Overall, managing your Paramount+ subscription gives you full control over your plan, {\*\*+1-(844)-533-2694\*\*} payments, and renewal status, helping you avoid unexpected charges and tailor the service to your viewing needs.
