1. Overview of Frontier's Cancellation Policy

Frontier Airlines allows passengers to cancel their flight online or through customer service. However, your eligibility for a refund, travel credit, or waiver depends on **how and when** you cancel. Frontier's policies differ by ticket type, time of cancellation, and the reason for canceling. If you need personalized support at any point, the Frontier customer care line   +1-877-622-0707 is available.

2. Frontier's 24-Hour Cancellation Rule

Like many U.S. airlines, Frontier follows the DOT-mandated **24-hour cancellation policy**. This rule states:

- You can cancel a booking **within 24 hours** of purchase.
- Your flight must be booked **at least 7 days before departure**.
- You receive a **full refund** to your original payment method.

This is the easiest way to avoid cancellation fees. Use it whenever possible. If you purchased a ticket by accident or need to modify plans immediately, contact Frontier via   +1-877-622-0707 for quick assistance.

3. Cancellation Rules by Ticket Type

Basic Fare (No Flexibility)

Basic fares are Frontier's cheapest option, but they have the **strictest cancellation rules**:

- No flexibility after the 24-hour window.
- Cancellations after 24 hours typically receive **no refund**.
- Travel credit may be offered only in select circumstances.

If you need to cancel a Basic fare, it's always a good idea to call   +1-877-622-0707 to check if any exceptions apply.

Economy & Premium Tickets

Economy and Premium fares offer more flexibility. These tickets allow cancellation, though a **cancellation fee** may apply based on the time remaining until departure.

The WORKS & PERKS Bundles

These bundles include major benefits:

- **The WORKS**: Fully refundable.
- Cancel anytime and receive a **full refund** back to your original payment method.
- No change or cancellation fees.

This is the best option for travelers needing flexibility. For help with WORKS cancellations, call Frontier at   +1-877-622-0707.

4. Frontier Airlines Cancellation Fees (2025)

Cancellation fees vary depending on when you cancel:

- **60+ days before departure** → *Free cancellation*
- **59–7 days before departure** → *Moderate cancellation fee*
- **6 days or fewer before departure** → *Higher cancellation fee*
- **0–24 hours before departure** → *Highest cancellation fee or no refund*

Remember, WORKS passengers pay **zero cancellation fees**. If you want the exact fee for your ticket, speak with an agent at   +1-877-622-0707.

5. Same-Day Cancellation Policy

Canceling a Frontier flight on the same day of travel is often allowed but usually comes with:

- **High cancellation charges**

- Refund **not guaranteed**
- Travel credit may be issued instead of a refund

If your situation is urgent, calling Frontier quickly at   +1-877-622-0707 improves your chances of receiving an exception or credit.

6. Refund Eligibility at Frontier Airlines

Frontier issues refunds only in certain cases:

Refundable Tickets

If you purchased **The WORKS**, you are automatically eligible for a refund to the original payment method.

Non-Refundable Tickets

Most Frontier fares are non-refundable. Refunds are rarely approved unless:

- You cancel within the **24-hour window**, or
- Frontier cancels or significantly delays your flight.

For all other cancellations, you generally receive **Frontier Travel Credit**. For refund-related questions, Frontier's helpline   +1-877-622-0707 can clarify your options.

7. Frontier Travel Credits

When you cancel a non-refundable flight, you often receive:

- **Travel credits valid for 12 months**
- Credits applicable to future Frontier bookings
- Credits tied to the passenger's name

You cannot transfer credits to another person unless Frontier explicitly authorizes it. For help redeeming credits, contact customer service at   +1-877-622-0707.

8. Frontier Flight Cancellation Due to Illness or Emergency
