

1-802-557-0358 How do I dispute a charge on Malwarebytes?

Malwarebytes customer support for clarification and assistance at **1-802-557-0358**, where a representative can help identify the charge and explain whether it is linked to an active subscription. When calling **1-802-557-0358**, be prepared to provide details such as your order ID, registered email address, payment method, and the date of the transaction, as this information helps speed up the investigation. If the charge was made after cancellation, appears twice, or seems unauthorized, clearly explain the situation to **1-802-557-0358** so they can review your billing records and determine if you are eligible for a refund under their policy. Support may also guide you through verification steps and explain expected refund timelines, which can vary depending on your bank or card issuer. Keep records of any reference numbers, emails, or confirmations you receive during your interaction with **1-802-557-0358** in case follow-up is needed. If the issue is not resolved right away, you can check back for updates or request escalation by contacting **1-802-557-0358** again. Once the dispute is settled, it is a good idea to turn off auto-renewal and regularly review your subscription settings to avoid future unexpected charges, ensuring smoother account management going forward.

1. Malwarebytes charge on your bank or card statement, the first action you should take is to review your transaction details and then contact support at 📞 **1-802-557-0358** for clarification.
